Normative

1. Swimmers will have to arrive, by their own means, at 9am in the morning to the meeting point of the route that corresponds to each day. The selected route will be informed 1 or 2 day before, so we will be able to choose the one that has best conditions.
2. The departure will be at 10am from the corresponding beach, if it is necessary to transfer the swimmers from the meeting point to the exit, it will be done either by boat or by bus at 9.30 am depending on the selected route.
3. The end of the swimming routes will be latest at 1:00 pm At that time every swimmer must be out of the water, in the case that someone is found in the water, it will proceed evacuation.
4. The swimming routes will not have signaling buoys. The route to be taken will be explained beforehand, and once in the water you will have to follow the indications of the organization.
5. Wetsuit is optional, although its use is recommended, since the water is usually between 19 and 21 degrees. It is also possible that there is some stop to regroup the group or to rest a little, since it is a playful swim and will not take a rhythm of competition, so that the body may not generate enough heat to swim without wetsuit.
6. The use of the buoy is **Mandatory**.
7. The swimmers will be separated into different groups, according to the distance to swim and the level of the swimmers. Each group will be accompanied by at least one motor boat and kayaks. Once swimming the route, the organization will be able to stop the swimmers to regroup them for safety measures.
8. In the event that a swimmer is not in a position to continue swimming, whether due to fatigue or any incident, he will indicate it to the support boats to be picked up. Once on the boat, the instructions of the skipper must be followed at all times.
9. It is a non-competitive test, so there must be a character of companionship among all swimmers, and help with any difficulty that can be detected in another swimmer.
10. The safety kayaker will have the function of providing security to the event, so they will have to be aware of the swimmers and fulfill the orders of the organization if necessary.
11. In the event that a participant, with a safety kayaker pack, does not exercise the safety responsibility for unjustified reasons, he/she must pay the difference with the Companion pack.
12. The organization will provide the necessary kayaks.
13. Until the organization receives the payment, the placement in the event is not considered confirmed.
14. Registration will be personal and non-transferable, and name changes will be not accepted.
15. Once the registration have been formalized, the attendee consents the recording and publication of images taken by the staff assigned by the organization to cover the event.
